Greetings from www.TheContractorsGroup.com

Hi!

Thank you for visiting our website!

When you're ready to print the free form in this file, "tell" your printer to print page two only, or just print normal if you want to print this page also.

The "fill it in before you print it" format of this fax cover sheet is currently available for only \$1.50. You pay for the form one time and then use it as often as you need! [Please note that this price can change at any time without notice]

When you're ready, please [click here](#). You'll have several different payment options through PayPal and, upon successful completion of your order, your "fill it in" form will begin downloading to your computer. You'll be able to use it over and over again, for the one time fee of \$1.50!

Have a great day!
